MEMORANDUM FOR THE RECORD

SUBJECT: Telephone Conversation [REDACTED]

25X1 1. On 24 November [REDACTED] telephoned again from
25X1 [REDACTED] we missed contact when he telephoned on 21 November
25X1 [REDACTED] He reported that he was making some progress on the
equity matter and expected by the end of the month to have a clear
25X1 picture. [REDACTED] noted that the absence of [REDACTED] was
presenting some problem for him particularly as to the CAB. I
confirmed that we would wish to see him early on particularly since
some future contracting decisions will undoubtedly have to be made.
He offered and I agreed that we would like to have a summary paper next
week. I indicated that we would then want to meet with him during the
week after next preferably in the early part of the week.

25X1 2. I asked if he had been in touch with [REDACTED] and learned
25X1 that he had not because he understood [REDACTED] was to be absent in
Europe. He said he would attempt to contact him by phone before leaving
[REDACTED] today to return to [REDACTED]
